Drive, Chip & Putt

June 26th @ 9AM

Boys and girls, 7-15 years of age compete in a free nationwide qualifier. Drive, Chip & Putt is aimed at growing the game by focusing on the three fundamental skills of golf.

The local qualifier at AGC provides juniors an opportunity to move on to sub-regional and regional qualifiers in an attempt to earn a place in the National Finals at Augusta National Golf Club the Sunday before the Masters Tournament.
