Rules

All competitors must have a USGA Handicap or, to establish a handicap, must play and turn in scores from the first two rounds of the season. All handicaps will be adjusted by taking 85% of your last three rounds in the league.

*All players must turn in their scorecards to the golf shop or scoreboard after completion of their round. Scorecards must be **legible** to qualify for prizes. Any scorecards that are not returned cannot qualify for prizes. Scorecards will be kept by the committee for tabulation and handicap review and therefore are not available to give back to the golfer. If you would like your scorecard, we can make a photocopy for you as time permits.*

Prizes will be tabulated as soon as possible after the completion of the round.

You must be a member of AARP to participate!
