You may sign up online (payment required) or via phone call to the golf shop at 907-522-3363.

Late Registration

Those wishing to participate at the last minute are encouraged to call the golf shop. More than likely we will be able to accommodate you, but we strongly encourage you to sign up a minimum of 24 hours in advance. This ensures we maintain enough space on the golf course for the event, and gives us time to prepare for the event.

Shotgun

Begin at 6:00 every day unless otherwise noted on the schedule.

Starting holes will be emailed to all competitors as soon as possible after registration closes, which is 24 hours in advance of play. Play will generally start on the front nine, but there will be times due to course maintenance or events that play will start off #10.

Hole assignments are based on when registration occurs. The sooner you sign up, the closer to the clubhouse you will start.

If you would like to be paired with a specific twosome, we will attempt to accommodate your wish if at all possible. If all players are registered 24 hours prior to play, we can guarantee your foursome. After 24 hours in advance we cannot guarantee a specific request.

The format for all Date Night will be Scramble. In this format, all team players will tee off, and the team Captain selects the best position. All players on the team then play from that selected position. This process continues until the ball is holed out.

Most formats will be a two-person format, but occasionally there will be a four person team, depending on the week.

All Date Nights will have special contests for prizes. The number of contests will vary depending on the number of participants each week. Previous events include closest to the pin, longest drive, closest to the fairway or greenside rock on #5, closest to the water without going in on #6, closest to the bunkers on #7, and closest to the Rent-A-Can on #5.

One rule — have fun!!

This is designed to be a fun event, encouraging golfers of all abilities to enjoy an evening with their significant other.

All male golfers play the white tees, all female golfers play the red tees. Pure beginners, who have never played or are just learning to make contact, are welcome to play the green tees. Those who are still learning the game are welcome to tee the ball up in the fairway to assist your partner wherever you can.

There are no handicaps in this league; it is strictly a gross event. As such, more accomplished golfers looking to challenge their skills are welcome to move further back than the assigned tee.
